Membership and meals program forms will be at the front desk, at the Thrift Shoppe check-out or contact a Board member.

All state meals forms **MUST** be filled out completely. The state has strict requirements that we need to follow, so please take the time to fill it out front and back as it applies to your situation. This is especially important for ALL meal delivery participants. We are not allowed by the state to deliver to participants that do not “qualify” for deliveries. Your needs have to be documented on the forms if you choose to have deliveries. This is **NOT** a Board decision, this is a state regulation which we are required to follow.

We still are in need for volunteers at the Center.

Please consider what you can do to help serve the seniors in our community. Thank you to all of you who have chosen to actively help us through our daily needs. You are greatly appreciated by the Board (and members)!!!

We also would like to thank those members who have remained at the Center and loyal to our cause. We do understand that some of our changes are concerning and have initiated some departures, but rest assured that we are working diligently to manage the center efficiently and effectively as possible. We are hoping that the weekend meals will return in the future, however, due to cuts in our funding we had to make changes so we can pay our bills. We appreciate each and everyone’s support!!

WE INVITE YOU TO DONATE

Member & Volunteer Spotlight

(By Jeanne Muir)

Connie Silva was born December, 1957 in Rapid City. She grew up there too, one among 3 sisters. and 9 brothers! She remains close to her family and especially expressed her great love and respect for their parents, John and Ellen Silva, who were awesome parents to this big Italian-American family. Her favorite memories growing up? Summer camping at Glacier National Park and Yellowstone. She Graduated from South Dakota State in 1981 with a degree in Park Management. She was the Park Recreation Director in Madison for 8 years after college, then transferred to Water and Wastewater Treatment plants where she eventually worked her way up to lead operator of two plants. She retired after 31 years with the City of Madison in 2017. She moved to Belle Fourche in 2020 to be close to family. In the early years after college, she had met and fallen in love with her life partner, Floyd. They were together for 35 years when she lost him to cancer in 2016. Her little dog, Lou, has seen her through that sadness, and helped her emerge as the amazing, fun, and energetic woman we know at Silver Lining. She has been volunteering for the past 2 ½ years. She decided to volunteer here because she is a people person through and through and wanted to meet people. I call her the "Energizer Bunny." Her positivity and sense of fun never fails to brightens the day. Her favorite part of the job is having fun with co-workers and seniors who come in for lunch. Her favorite meal at our senior center? Liver and Onions! Who knew? I asked her if she had a whole day to do anything she wanted to, what would she do? She would go to the gym! Or she would go on a long walk. Or watch sports on TV with friends. Her favorite ice cream? Hard

Frozen Caramel Caribou. Well, that proves she is one of a kind! Her dream vacation? To go camping with friends or visiting national parks with her camping friends. Her favorite sports team is Notre Dame but she played Women's Basket Ball and Softball for SDSU so she loves to see them win too. I asked her, "Were you any good?" YES! She rarely sits still long enough to play cards or board games or read a lot, but she is currently watching a series on Netflix, "Prison Break." She has taped quite a few movies and her favorites tend to be dramas and suspense. Her all-time favorite song: "Everywhere" by Fleetwood Mac, but she likes '80's music in general. She has really enjoyed going to some Notre Dame Football games, an experience of a lifetime! She also remembers a trip to Lake Havasu, Arizona as being a trip she really enjoyed.
