December 1, 1955 - The birth of the modern American civil rights movement occurred as Rosa Parks was arrested in Montgomery, Alabama, for refusing to give up her seat to a white man and move to the back section of a municipal bus.

December 20, 1699 - Czar Peter the Great changed the Russian New Year from September 1 to January 1 as part of his reorganization of the Russian calendar.

Member & Volunteer Spotlight

(Written by Jeanne Muir)

Marilyn Huston-Engles was born in 1959 in Pierre, SD. She grew up in a big family, one of 8 children, on her parents' cattle ranch in Red Owl. Among her fondest memories from childhood are the long horseback rides with friends and siblings on the ranch. She graduated from Sturgis Brown High School in 1977. After high school she knew she wanted to escape the isolation of rural living, and when her best friend expressed an interest in dental assisting as a career, Marilyn thought, "Why not?" She graduated from Lake Area Bo-Tech in Watertown in '79 and, after 46 years in dentistry, she has never regretted that early decision. She went on to get her bachelor's degree from the University of Wyoming in 2006. How did she end up on our board of directors? Another board member, Rita Bollwitt, convinced her to join the board a year ago. She had previously served on the Belle Fourche Soccer Association Board as well as the Belle Fourche School Board so being a board member was not new to her. And, oh yes, she cares for some of her grandchildren two days a week! A large part of the time she has left is spent working in our thrift store, cleaning, and organizing donations. If you haven't been in our thrift store lately, you should have a look! She and Shirley Hatcher and the other volunteers have created a fun shopping experience. You never know what treasure you will find there, and the price is always right! When I asked her what she would do if she had an entire day to spend however she liked, I discovered that we share an enjoyment of garage sailing and thrift store shopping. Marilyn takes her "finds" and paints and repurposes them, and sells them at craft shows, an activity she also enjoys. Her favorite ice cream? Vanilla Chocolate Twist. Her dream vacation? A road

trip with her husband, Jeff to explore the Northeastern U.S. Her favorite card game? Hand and Foot. Her favorite sports team? The Denver Broncos. Her favorite author is, hands-down, John Grisham and she is in the middle of reading his "Camino Winds" right now. Her favorite song: Willie Nelson's "Help Me Make It Through the Night." She most enjoys country and rock music from the '70's and '80's. Her all-time favorite movie is "Grease." She said she likes the music and story line, but I suspect John Travolta might have been part of the attraction too. Right? We girls found him was pretty easy to look at! Her favorite meal at the senior center is meatloaf. Yum! I asked her what item in her life she would not want to be without and her answer didn't surprise me: Diet Coke. If you see Marilyn, chances are a Diet Coke won't be far away. Her favorite place she has travelled: Dublin, Ireland! Turns out she is half Irish, half Dutch. I asked her if she had any advice for young people and she said, "Treat your elders with respect and stay in touch with your family." Words of wisdom! We agreed that preserving family ties is so important. Family and friends are the safety net that sometimes keeps us from falling off the edge.
