Belle Silver Lining
 ACTIVITIES &
 SUPPORT CENTER

Greetings to all our members and welcome 2025!!!

Looking back at 2024, the Board of Directors would like to re-cap a few of the many events and happening that took place...

January- New Year's Eve Party/Dance and Board of Directors took over the position of Executive Director to ensure operations ran smoothly.

March- Father/Daughter Dance raised \$7750.00

April- We received \$5,000.00 from the F.L. Clarkson Foundation to finish the renovation of the ladies bathroom

May- The Board applied for financial support from Butte County and received notification of a grant for \$10,000.00 to be awarded to BSL in June 2025.

June- We applied for the renewal of the state funding for our Senior Meals Program and were accepted for funding for another year.

August- We received a grant from the F.L. Clarkson Foundation for \$7,500.00

September- BBQ fundraiser at BSL raised \$1,900.00 and Volunteer month brought in several groups to help organize the donations in the Thrift Shoppe (First Interstate Bank, Northern Hills Federal Credit Union, the Chamber and Cadets from the Fire Dept)....they ROCKED!!!

October- Cornhole Tournament fundraiser (\$1,500.00); Candy give away at the Rec Center on Halloween; Notification from the City of Belle Fourche of a \$10,000.00 grant to be received Jan 2025; Discontinuation of our weekend meals program, hopefully on a temporary basis

November- Thanksgiving Day Dinner; Chili Feed during the Parade of Lights event

December- We were a recipient of the fundraising efforts at this year's Festival of the Trees and were awarded \$4000.00

The Thrift Shoppe continues to amaze us with increased donations, organization and profits that help to pay our bills....a special thank you to the team that operates an outstanding Shoppe that is gaining a great reputation!!!

There are MANY more activities and events; donors and contributors that make the Center successful!!! We cannot possibly operate without the members and faithful supporters....THANK YOU EVERYONE for your generosity for all you do..

We have immense positivity for 2025. In January we will be finalizing a partnership with Feeding South Dakota for helping with our food needs for the meals program. We have also started a relationship with Senator Round's office who are researching how we can attain innovative ways of making our Center an even better place for serving the community.

We are always in need of volunteers to help with daily tasks at the Center and with our many fundraising events....please consider any financial, or in-person volunteering and invest in the future of YOUR Center.....

-Your Belle Silver Lining Board of Directors

One thing Belle Silver Lining would like to do is host more events for not only its members but the community as a whole. Especially, the youth. Belle Silver Linings is considering hosting is a Human Library event.

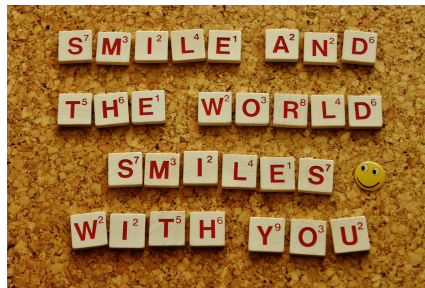

What is a Human Library?

A Human library is very much like a regular library where people go to check out books, the only difference is that the books are all Human volunteers. Each volunteer is a book. Each with a particular interest or background. The 'book' will talk about the topic and the readers can ask questions and the 'book' will answer as best they can.

So, if you are interested in participating in a Human Library event, or have questions, please feel free to contact me at (605)569-2689, email jnixon269@gmail.com or leave a message at the Senior Center and I will get back to you.

Thanks, Todd Keller

A look back at
January history... 

1776 - During the American Revolution, George Washington unveiled the Grand Union Flag, the first national flag in America.

1945 - Franklin Delano Roosevelt was inaugurated to an unprecedented fourth term as president of the United States. He had served since 1933.

Member & Volunteer Spotlight

(Written by Jeanne Muir)

Patsy Livingston was born in 1942 in Palo Alto, California. She grew up in Salinas and Monterey with her mother, father and one brother. She graduated from Monterey High School in 1960 to attend Pasadena College in Pasadena, California where she earned her degree with a major in physical education. She went on to earn a master's degree from San Jose State University in San Jose, California. Her career in education was diverse. She told me she taught in a one room schoolhouse and at a junior high school, but her most enjoyable work was teaching at Northwest Nazarene College and Point Loma Nazarene University. She has two children, both retired, four grandchildren (of whom she is very proud), and a cat named "Cat." In fact, her daughter and family moved to Belle when they retired, and Patsy moved here too to be closer to them. It has been to our advantage that she did so because she has been a blessing to our senior center. Patsy's smiling face is a familiar one around here. It should be. She has been a volunteer here for over 4 years! She now does grief counseling, (something she has been doing for 30 years, starting when she was teaching college.) She also helps with meal deliveries. I asked her why she volunteered at the senior center. Her answer was simple: "I like helping others." One of her fondest memories growing up was playing tennis with her dad. It was probably the beginning of her love for active sports. Her favorite

music is classical, and Beethoven is her favorite composer. Who knew? Her favorite meal at Silver Lining? Chicken Fried Steak. Her favorite sports Team? Any team at Point Loma Nazarene U. I asked her what she would do if she had a whole day to do anything she wanted. I was surprised to learn that we share a passion because her answer was: "A whole day to sew without interruption." Her favorite ice cream? "Too many to name!" Her favorite TV show? She doesn't even own a television! She loves to read though, mostly romance novels and historical fiction. One item she would not like to be without? Her sewing machine! Well, that was not a surprise! Her dream vacation? To stay at home. Favorite places she has traveled or lived? San Diego. Belize. Alaska! I asked her if she had any advice for the younger generation: "Stick to your goals! Never give up!"
